

### THE TERRIFIC THREE

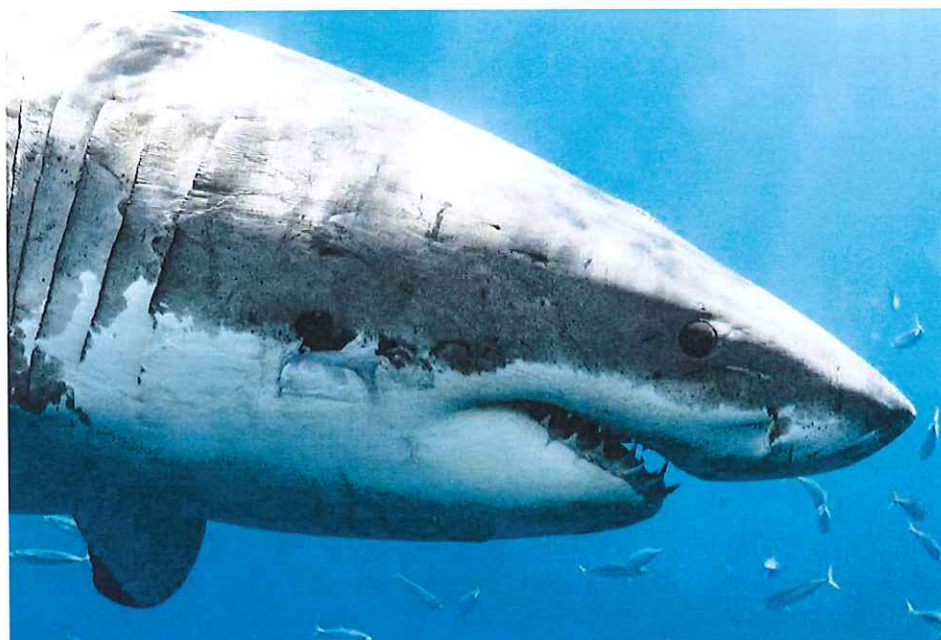

One day Santa was in his lab making toys for children. A big old wise elf said "Santa you should get a photocopier". Santa said "what a good idea!". Santa had a big fluffy beard and a cosy jacket. The wise old elf had a moustache and small legs. There was a black elf who told Santa lies, stole money and was mean.

Santa got a photocopier and photocopied money to buy presents from Smyth Toys for Christmas. But the black elf stole the photocopier and put it in a safe in his room and locked the safe! So Santa couldn't get it, but luckily an elf spotted him and tells Santa and gives him a punishment.

Out of the blue three robbers came in. Santa roared "GET OUT" but they didn't mind. Some elves attacked and some got them but some died. Soon they said their names. One was Dara, another was Corey and the last was Seamus. Santa said "If you are god, you can stay". They were good so Santa let them stay for the night.

The three sneaked out of their beds, but little did they know the terrific three were waiting for them. The terrific three were Mairtin Og, Evan and Seamie. Soon the terrific three caught them and threw them in a lake.

Everyone lived happily ever after except the three who were getting ripped up by megaladons and sharks!!

## Adventure in the trees.

Yesterday morning my mom and dad went to Dublin and we had to go to Emma's house for a night .

We were so exited. Emma's mom said she was going to make beds for Róisín and I.

So we went outside to play.

We decided to go up to the trees.

Róisín decided to play hide and seek.

So Susanna and Róisín started counting.

1 2 3 4 5 6 " Wait! " I shouted, "me and Emma want to try something.

Keep your eyes closed." Emma and I tried climb a tree.

It cracked and fell down and we slid down too.

We were zooming down.just then we stopped sliding.

We hit the bottom of the ground in the forest.

There we walked around. "20 21 22 23. Ready or not here we come."

We agreed on going to Emma 's hiding place on the other side of the small forest.

After half an hour they couldn't find us and Emma's mom was gone for a walk.

Susanna grabbed her small pocket radio - walkie-talkie. She tried calling me and Emma.

It wouldn't work. Just then Róisín said " Cover it from the wind." So Susanna put it in her coat.

At that time we were lost. A minute later we heard them. We are on the other side of the forest. "Okay, we are on the way."

Ten minutes later they found us.

After a while their mom came home.We told her everything that happened.

Olivia said "you better get a good night sleep."

So we all went to sleep. We were all exited to have another adventure.

## **The Day of the Mummy**

It was a very hot day. Dr Manta Ray and his assistant Captain Willow were excavating the lost tomb of Ramases the 2<sup>nd</sup>.

"Are we nearly there yet?" asked Captain Willow.

They got to the pyramid entrance and went in and suddenly the entrance closed.

"At least nothing can go wrong." said Captain Willow.

They got to the tomb and suddenly a statue of Anubis moved and opened the tomb. Manta Ray looked in horror as a mummy climbed out.

"Aaaaaaaaaaaaaah", screamed Dr Manta Ray.

Then suddenly a magic Ford Focus came crashing through the roof.

"Billy!", shouted Dr Manta Ray. Billy was Dr Manta Ray's friend.

"Sorry I'm late, the desert jeep broke down and I had to use the magic Ford Focus."

"We can see that," mumbled the captain. Dr Manta Ray and Captain Willow got into the car and went home.
